

AMELIE sedia / chair

design Cuno Frommherz

Amelie è un'interpretazione sofisticata del comfort contemporaneo, pensata per integrarsi con naturalezza in contesti residenziali e professionali di alto livello. Le linee avvolgenti di schienale e seduta, modellate da una curvatura sapiente e generose imbottiture, offrono la piacevolezza di una poltrona mantenendo una silhouette leggera e raffinata. Il basamento, proposto in legno massello per un tocco più caldo oppure in metallo dal profilo sottile e grafico, definisce due anime della stessa eleganza.

**Vincitrice
del Top of Design Award**

Amelie offers a sophisticated take on contemporary comfort, designed to integrate naturally into both high-level residential and professional settings. The enveloping lines of the seat and backrest, shaped with expert curvature and generous padding, provide the comfort of an armchair while preserving a light, elegant silhouette. The base, available in solid wood for a warmer feel or in metal with a slim, graphic profile, expresses two distinct versions of the same elegance.
