

Come gli sgabelli, anche i tavolini Atollo sono caratterizzati dalla struttura in tondino di metallo, che sorregge un piano in legno o ceramica con bordo perimetrale rialzato. Leggeri e versatili, possono essere affiancati a divani e poltrone o usati come comodini nella zona notte.

Like the stools, Atollo coffee tables too are characterized by a metal rod frame, supporting a wooden or ceramic top with a raised perimeter edge. Lightweight and versatile, they can be placed next to sofas and armchairs or used as bedside tables in the night area.
