

Kent è un tavolo fisso che richiama il design degli anni Sessanta e Settanta. Il basamento in legno, dalle linee scattanti e dinamiche, sostiene un sottile piano in vetro, tondo o rettangolare. Un abbinamento che esalta l'essenzialità di un tavolo che non impone la sua presenza, ma al contrario alleggerisce la zona dining.

Kent is a fixed table that recalls the design of the sixties and seventies. The wooden base, with sharp and dynamic lines, supports a thin glass top, round or rectangular. A combination that enhances the minimalism of a table that does not impose its presence and lightens the dining area.
