

SQUARE

Design by Bernhard e Vella

Divano minimalista dalle forme geometriche e decise, adatto ad ambienti contemporanei. Il divano componibile è caratterizzato da un'evidente cucitura piezzata lungo i bordi dei cuscini dal bracciolo, dello schienale e della seduta. Quattro versioni di plettrici disponibili. Per ottenere il massimo comfort, è possibile scegliere il cuscino di schienale alto con rublo posteriore.

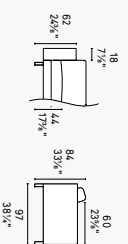

A minimalist sofa with geometric and distinctive lines that fits perfectly into contemporary surroundings. Square features visible pinched seams along the edges of the armrest, backrest and seat cushions, in both fabric and leather-covered versions. For the utmost comfort, it is possible to choose the tall backrest cushion with back roll.

Un campé minimalist aux formes géométriques nettes, qui s'intègre parfaitement dans les environnements contemporains. Soutenue par quatre pieds en aluminium, cette chaise est caractérisée par une structure qui metton en évidence les lignes des coussins des accoudoirs, du dossier et de l'assise, aussi bien que dans la version en tissu que dans celle en cuir. Pour un maximum de confort, il est possible de choisir le coussin du dossier avec un revêtement de support arrière, isolé ou de support arrièr.
