

# DOBI 多比

By Chen, Chao Cheng, 2015

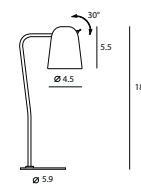

Catering to smaller scaled spaces, the DOBI offers a more petite version of the ever so popular DODO. Besides scaling down in size, the DOBI remains true to much of the original DODO features such as the incorporation of a dip switch, elongated dome shape, and adjustable shade. For those with a tight space to work with, but unwillingness to compromise on style, the DOBI is a must have.
