design Archirivolto Design

Un programma di tavoli la cui base è composta da due bracciali preziosi.
Un omaggio all'artigianalità utilizzata dai maestri orafi che abbiamo voluto riprodurre su questo progetto con la stessa cura dando la possibilità di personalizzare ogni singolo bracciale rendendo il vostro tavolo Imperial unico ed esclusivo.

A table collection where the base is built by two precious bracelets.

A tribute to the craftsmanship used by master goldsmiths that we wanted to reproduce with this project.

The possibility to customize each bracelet will make your table Imperial unique and exclusive.
