

LALU+ 拉魯

By Chen, Chao Cheng, 2014

The LALU collection has been beloved and highly regarded for many years. Nonetheless, at SEED we are always thinking the unthinkable, thus we've reinterpreted this charming collection with a contemporary twist. Keeping up with the trends in home furnishing and accessories, we too have to get creative and ensure our pieces are multi-functional. The linear fixture of LALU+ pendant can be now be rotated to create cross or straight formations.
