

LING 欄

By Li, Hui Lun, 2017

LING is a harmonious mingle of minimalism and nostalgia design which is inspired by patterned metal-fence used to be built around balconies and windows in early Taiwan. The copper/ brass glow elegantly connects glass and metal shade. Through inner reflection of embedded LED light source, the adorable lamp impressively creates double ambience in one single fitting.

Ling Wall

SLD-80WTE
LED 7W (3000K, CRI 90, 520lm)
