

PLANET embodies and represents the SEED ideology. At SEED we are simple, elegant, practical, yet interactive. It took our design geniuses tiresome years to overcome a myriad of technical challenges, but finally, the PLANET was born. PLANET is incredibly polished and sophisticated, yet still so straightforward. The multi-adjustable parts provide the user flexibility to meet their every need. Combining intelligent design with innovational aesthetics, the PLANET is ready to tenderly emit a moon-like illumination through genuine copper/ brass gears.
