Saint Tropez

Ispirata ai giochi di luce nel mare di Saint Tropez, dell'iconica località francese questa collezione richiama anche il dinamismo. La scocca a effetto trapuntato, in tonalità trasparenti od opache, è montata su diversi basamenti che la rendono ideale accanto a un tavolo da pranzo, ma anche abbinata a una scrivania.

Inspired by the plays of light on the sea of Saint Tropez, this collection also evokes the dynamism of the iconic French location. The quilted-effect shell, in transparent or opaque tones, is mounted on various bases that make it ideal next to a dining table, but also paired with a desk.
