

Nella zona giorno, anche nella più moderna, la madia è un mobile contenitore indispensabile. Secret è una proposta versatile, che si adatta a qualsiasi stile grazie all'ampia gamma di finiture con cui personalizzare le ante e i piedini a slitta. È priva di maniglie: l'apertura delle ante è push-pull, quella dei cassetti si serve del gioco di spessori verticali.

In the day area, even in the most modern one, the sideboard is an essential storage unit. Secret is a versatile product that adapts to any style thanks to the wide range of finishes with which you can customize the doors and the sled feet. It has no handles: the doors open with a push-pull system, the drawers use the play of vertical thicknesses.
