TOM
R&D Bontempi

Small, medium, large, extra-large. La semplicità del design cela la magia della funzionalità al suo interno. Tom è il tavolo trasformista che ottimizza l'uso dello spazio. Grazie ad un sistema di allunga a tre moduli, si estende a seconda delle esigenze, fino a superare i tre metri di lunghezza. Il fascino è nella praticità, l'incantesimo nella trasformazione, la meraviglia nella possibilità di condividere i propri spazi, anche i più piccoli, con le persone care.

Small, medium, large, extra-large. The simplicity of its design conceals a functionality charm. Tom is a quick-change artist, a table capable of optimizing the use of space. Thanks to a three-extensions system, it can be extended according to the needs, up to more than three meters. Fascination is practicality, magic is transformation, wonder is the chance of sharing our space, even the smallest one, with the loved ones.
