

# CIELO PLUS PENDANT

## DESCRIPTION

Through its minimal form and glare-free, flat panel LED technology, Cielo enables light to act as its expressive element and defining feature. Boasting a robust 930 lumens of warm dimmable light, Cielo Plus maintains a compact and classic shape that integrates into any environment, regardless of style. Cielo Plus is offered in two refined machine-trace finishes in silver and brass as well as two textured painted finishes in white and black. Cielo can be suspended individually, in a series, or in chandelier groupings to provide warm and balanced illumination. The larger the grouping, the bolder the display. Cielo offers full range dimming and is composed of energy efficient LEDs rated for up to 50K hours.
