

Silhouette è un tavolo dove la forma coincide con il profilo stesso: sia la struttura in alluminio pressofuso sia il piano in ceramica si caratterizzano per gli spessori ridotti. Contemporaneo ed essenziale, Silhouette è pensato per gli ambienti più moderni ma si adatta a diversi contesti, come una tela bianca.

Silhouette is a table where the shape coincides with the profile itself: both the die-cast aluminium structure and the ceramic top are characterized by reduced thicknesses. Contemporary and minimalist, Silhouette is designed for the most modern environments but adapts to different settings, like a blank canvas.
