

Livingston

it — Livingston gioca sull'effetto sorpresa tramite un uso inaspettato del poggiatesta che, con un semplice gesto di rotazione, diventa un comodo poggiatesta. È dotato di uno schienale "intelligente" accoppiato a un cuscino più piccolo tramite semplici cerniere. La seduta, soffice e informale, dialoga con una struttura aerea in acciaio che dà slancio alla generosità delle cuscinate. La particolarità dello schienale regolabile e la caratteristica del cuscino unico di seduta conferiscono al divano Livingston un profilo unico e originale, declinabile in infinite composizioni. Completamente sfoderabile.

design Giuseppe Viganò

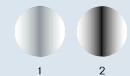

en — Livingston creates a surprising effect through an unexpected use of the headrest which, by a simple rotation, becomes a comfortable backrest. It has a "smart" backrest to which a smaller cushion is attached with a zip. The soft, informal seating rests on a light steel base that creates a dynamic contrast with the generous cushions. The original, adjustable backrest and its characteristic full-length seat cushions give Livingston a unique silhouette ideally suited to creating an endless variety of arrangements. Fully removable covers.

fr — Livingston joue sur l'effet de surprise avec un emploi inattendu de l'appuie-tête qui, par un simple geste de rotation, se transforme en appui lombaire. Il est muni d'un dossier « intelligent » accouplé à un coussin plus petit par une simple fermeture à glissière. L'assise, moelleuse et informelle, dialogue avec une structure aérienne en acier qui compense la générosité des coussins. La particularité du dossier réglable et le coussin d'assise d'un seul tenant donnent au canapé Livingston un profil unique et original, déclinable en d'infinies compositions. Entièrement déhoussable.

Saba

es — Livingston juega con el efecto sorpresa mediante el uso inesperado del reposacabeza que, con un gesto de rotación muy sencillo, se transforma en un cómodo apoyo para la espalda. Dispone de un respaldo "inteligente", asociado con un cojín más pequeño mediante simples cremalleras. El asiento, suave e informal, se completa con una estructura aérea de acero que hace resaltar a la generosidad de los cojines. La peculiaridad del respaldo ajustable y la característica del cojín único del asiento otorgan al sofá Livingston un perfil único y singular, que se declina en composiciones infinitas. Completamente desenfundable.
