Ola

Ola nasce da un'idea semplice ma al tempo stesso complessa, creare una poltroncina accogliente utilizzando 4 fogli curvi indipendenti tra loro, ciascuno dei quali converge verso un unico centro rappresentato dall'individuo che la utilizza (i fogli diventano 2 per la versione senza braccioli). La struttura in metallo ha un tratto essenziale e grafico in contrasto con le rotondità della parte imbottita. Completamente sfoderabile. Dal 2024 il prodotto viene ricalibrato per garantirne un nuovo comfort.

Ola originates from a simple idea but at the same time represents a complex concept – a welcoming arm chair created utilising four individual curved sheets. Each sheet converges towards a single centre. Four sheets become two sheets for the variation without arm rests. The metal frame has an essential and graphic silhouette in contrast with the padded rounded forms. Fully removable covers. From 2024, the product has been recalibrated to ensure new comfort.

L 86 x P 80 x H 80 cm
L 75 x P 80 x H 80 cm

Struttura - Imbottitura

In legno di betulla multistrato curvato con poliuretano espanso rivestito con fibra poliestere. La seduta è realizzata con poliuretano espanso a quote differenziate (50IP - 30IM) e rivestita in fibra di poliestere 100gr/mq. Schienale e braccioli sono realizzati con poliuretano espanso 30IM e rivestiti in fibra di poliestere 100gr/mq.

Piedini

In metallo verniciato o cromato dal diametro 22 mm.

Note

Versione trapuntata: il tessuto di rivestimento esterno viene lavorato con resinato accoppiato a vellutino 150 gr/mq. Questa lavorazione implica una manutenzione della fodera con lavaggio a secco per tutti i tipi di tessuto.

Structure - Padding

In plywood curved birch with polyurethane foam covered with polyester fiber. Seating is made with variable-density polyurethane foam (50IP - 30IM) and covered with polyester fiber 100gr/sqm. Backrest and armrests are made in polyurethane foam 30IM and covered with polyester fiber 100gr/sqm.

Feet

In metal 22 mm of diameter painted or chromed finish.

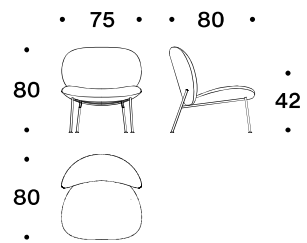

Note

Quilted version: The external covering fabric is join with velfodera coupled to velveteen 150 gr/sqm. This process implies a maintenance of the cover with dry cleaning for all types of fabric.
