

BOLA LANTERN

DESCRIPTION

Based on the Bola Sphere Table 8, the Bola Lantern adds a premium leather handle and a rechargeable battery that enables a level of portability new to the Bola Family. Bola Lantern's size and stature gives a sense of presence that's unfound with portables, while maintaining the lightness associated with the floating orbs that are Bola. Discs are available in chrome, brass, gunmetal, and matte black. The leather handles are available in a natural vegetable tanned leather and black.
