

Il divano letto, secondo Calligaris, ha dimensioni contenute, linee classiche, e meccanismi d'apertura e chiusura estremamente funzionali. Per trasformare il divano Darwin in un letto a due piazze basta tirare una fascia nascosta nello schienale. Altrettanto facile è chiuderlo, senza nemmeno dover spostare i cuscini.

The sofa bed, according to Calligaris, has compact dimensions, classic lines, and extremely functional opening and closing mechanisms. Transforming the Darwin sofa into a double bed is as easy as pulling a hidden strip in the backrest. Closing it is equally easy, without even having to move the cushions.
