

MAGGESE

by Paolo Cappello

Maggese è il tavolo dell'enfasi e della leggerezza. Si pone come elemento d'arredo dall'aspetto scultoreo, ma leggero: il metallo curvato delle gambe assume un aspetto simile alla carta dando origine ad un nuovo linguaggio d'arredamento che coniuga semplicità costruttiva e formalità. Il piano è disponibile sia in versione fissa che allungabile.

Maggese is the table of emphasis and lightness. It stands as a sculptural-looking element of decoration, yet light: the curved metal of the legs looks similar to paper, giving rise to a new language of furniture that combines simple construction and formality. The top is available in both fixed and extensible versions.
