CLOUD 9™

DESIGN **MATTHEW WEATHERLY**

The Cloud 9 collection features durable porcelain surfaces, soft to the touch, yet resistant to scratches, heat and staining. The versatile coffee table's top raises to the perfect height for working on a laptop or enjoying a meal on the sofa, while remotes and other essentials remain accessible when the top is closed. The collection's end table and console are perfect complements, but also striking standalone pieces on their own.
