OPTIONAL STORAGE

An optional lined storage drawer provides the ideal space for a keyboard and mouse. Side storage compartments keep pens and other small items in place when the drawer is in motion.

Soma Lift Desks rethink the standing desk up and down. With styling and finishes that an executive will appreciate, the collection's intelligently integrated features will excite even the most die-hard gamer.

MOUNT READY

Suitable for use with third-party mounts, attaching anywhere along the rear of the desk. Wire wraps on the underside keep cables organized.

WIRE UP

A magnetic cover conceals a routing channel, conveniently providing a path for charging cables and peripherals.

DIGITAL CONTROL PADDLE

Operating with a gentle push or pull, the desk's control paddle moves the desk to the ideal height. A user-friendly digital menu allowing you to program a host of helpful features, and a quick-lock feature secures the desk in position when desired. The control paddle can be installed on either side of the desk.

FEATURES INCLUDE:

- Simple, intuitive operation
- Two programmable height settings
- Quick-lock button
- Min/Max height control
- Display in inches or metric
- Anti-collision detection

GET HOOKED

A convenient storage hook can be mounted on the left or right, the perfect spot to hang headphones or a handbag.

CURVES AHEAD

The smooth contours of the Soma Lift Desks create a comfortable work space and provide an elegant appearance.

COMFORT EDGE

Contoured edge provides wrist support and relief during extended typing sessions

OPTIONAL DRAWER

An optional storage drawer has a flip-down front for use with an enclosed keyboard and mouse

CURVES AHEAD

Signature rounded details flow through the desk—from its top to its rolled base

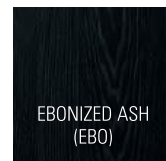

USB/POWER STRIP

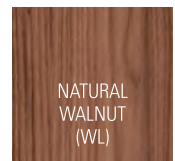

The included power strip can be mounted on either side of desk, and includes 3 AC outlets, 1 USB-A, and 1 USB-C connection

WIRING CRADLE

A felt panel conceals wires for a clean, organized look, releasing easily when access to wiring is needed
