

T.O FLOOR

DESCRIPTION

T.O celebrates and reinforces the importance of light as a pillar of our daily life. A monolithic column stands to support a vertical line of light to provide precise light control. T.O embodies a harmonious dialogue between solidity and lightness offering unlimited contexts for use in residential and workplace environments, all within a minimal footprint. T.O features a fully dimmable LED light source with tactile push switch appropriately positioned at the end of arm. Both table and floor versions feature a magnetically attached light arm over a marble cylinder base while the light wand can be rotated up to 360 degrees to provide both direct and indirect light for task and ambient lighting needs alike. T.O is offered in 2 matte base finishes in Marquina black and Carrara white while the light arm is elegantly contrasted in polished surfaces in brass and chrome. T.O is a seamless integration of functional lighting and sculpture.
