PALMA

The Palma chair is a versatile addition to any space, whether you're looking for a comfortable lounge chair or a functional office seat. With its sleek Nordic design, the Palma combines form and function to create a truly unique experience. As you recline, the chair's glide path tilts in sync with your back, creating a natural feeling of sinking into the chair. The dynamic foam seat cradles your body, reducing pressure points and promoting good posture, while the swivel base allows for smooth, easy movement.

Not only is the Palma chair comfortable, it's also built to last a lifetime. Our 10-year warranty covers the dynamic foam upholstery, springs, and inner frame, so you can enjoy the chair for years to come. And with a range of color choices, you can unleash your inner stylist and find the perfect match for your space. Pair the Palma with a footrest to take relaxation to the next level.
