Tavoli / Tables

Apian Plus rappresenta un'eccellenza tra i tavoli Calligaris. Si distingue dal tavolo Apian, con cui pure condivide la caratteristica doppia lamiera curvata che fa da basamento e il meccanismo di allunga brevettato, per il piano dallo spessore maggiorato in cui è incassato il top.

Apian Plus represents excellence among Calligaris tables. It stands out from the Apian table, with which it shares the characteristic double curved sheet that serves as a base and the patented extension mechanism, for the thicker compartment where the top is housed.
