

Cluster è un sistema per progettare librerie, ma anche mobili per la zona giorno, l'home office e l'ingresso. Massima la libertà di composizione: in base alle esigenze, i montanti a parete o a soffitto si attrezzano con mensole in metallo o legno, mobili con anta a ribalta o vetrina, mensole scrittoio o appendiabiti con specchio rotante.

Cluster is a system for designing bookcases, but also furniture for the day area, home office, and entrance hall. Maximum composition freedom: depending on your needs, the wall or ceiling uprights can be equipped with metal or wooden shelves, cabinets with flap doors or display cases, desk shelves, or clothes rack with rotating mirror.
