

La sedia Cocoon aggiorna le forme delle poltroncine anni Sessanta attraverso linee attuali e spessori generosi. Alle diverse basi disponibili si possono abbinare la scocca slim, più asciutta, o la soft, dall'estetica più soffice, entrambe comode e accoglienti. Cocoon è disponibile anche nelle ricercate versioni bicolor e bimateriale con profilo cordonato.

The Cocoon chair updates the shapes of 1960s armchairs through contemporary lines and generous thicknesses. The various available bases can be combined with the slim shell, more streamlined, or the soft one, with a softer look, both comfortable and welcoming. Cocoon is also available in the refined two-tone and two-material versions with corded profile.
