

# Lady

design Marco Corti

Elegante e discreta nei volumi, *Lady* è l'elemento perfetto per impreziosire tutti gli ambienti voluti al comfort. Il design si esprime con una semplicità pratica e la struttura in legno si contrappone armoniosamente alle parti imbottite. Dettagli funzionali ma di grande appeal: sono il cuscino lombare e i bracciali con la parte terminale in metallo, assolutamente decorativo, che richiamano i piedini.

*Elegant and compact, Lady is the perfect element to enhance all environments. The design is expressed with a practical simplicity and the wooden structure harmoniously contrasts with the upholstered parts. Functional details but of enormous appeal are the back cushion and the armrests with the metal end part, completely decorative, which recalls the feet.*
