

Louis

design **Andrea Radice**

È un tavolo dalla presenza scultorea, maestoso, dromontico, sofisticato. La sua poetica formale si manifesta in un gioco di prospettive, in un dialogo tra forme ovali in netto contrasto con l'orizzontalità del piano crea un singolare gioco di prospettive e un equilibrio di forme impeccabile.

It is a table with a sculptural presence, majestic, disruptive, sophisticated. Its formal poetry is evident in an apparent simplicity: the eternal structure consisting of ovals in stark contrast to the horizontality of the top creates a singular play of perspectives and an impeccable balance of shapes.
