

## LOUIS tavolo / table

design **Andrea Radice**

Louis è un tavolo dalla presenza scultorea, maestoso, dirimpente. La sua eleganza sofisticata si rivela attraverso una poeticità formale che, pur nella sua apparente semplicità, rivela una raffinata complessità. La struttura eterea, composta da ovali che sfidano le convenzioni, contrasta magistralmente con l'orizzontalità del piano, creando un singolare gioco di prospettive. Ogni curva e ogni linea sono disegnate con una precisione impeccabile, offrendo un equilibrio perfetto tra forme, volume e leggerezza. Un progetto che unisce eleganza e precisione tecnica, reinterpretando lo spazio con una visione innovativa.

*Louis is a table with a sculptural presence – majestic and bold. Its sophisticated elegance is revealed through formal poetry that, despite its apparent simplicity, conceals a nuanced complexity. The ethereal structure, made up of ovals that defy conventions, masterfully contrasts with the horizontal plane of the top, creating a singular play of perspectives. Every curve and line is drawn with impeccable precision, offering a flawless balance between form, volume and lightness. A project that blends elegance and technical mastery, reinterpreting the space with an innovative vision.*
