LOTUS

Crafted by Kebe, is an exceptional piece that exemplifies both style and durability, and is a favorite among our customers. This chair is engineered for long-lasting performance, making it a true investment for your home. Its sleek Scandinavian design perfectly melds quality and longevity with contemporary trends. The Lotus features a convenient swivel base and a smooth push-back reclining mechanism, offering a seamless and enjoyable lounging experience.

The chair's superior design ensures that you remain correctly supported and aligned while unwinding, boasting a timeless aesthetic that suits any interior decor. With a high backrest and stable support base, it provides remarkable comfort no matter where you place it in your home. Additionally, it comes with a 10-year warranty on the dynamic foam, the inner frame, and springs, providing you with peace of mind knowing that your investment is protected.

Pair the Lotus recliner with a matching footstool for a complete set that delivers outstanding comfort and style to your home.
