

CONTAINER

by e-ggs

Container nasce da un'ispirazione industriale, origine accentuata nei colori laccati o addolcita nella finitura in legno, personalizzabile dal top al basamento. I listelli caratterizzano la madia come una bella copertina, accompagnando le ante nella loro apertura a libro.

The industrial inspiration of the Container sideboard can be accentuated with lacquered colours or tempered by a wood finish, customisable from top to base. The sideboard's slatted front echoes the concertina effect of its bi-fold doors.
