

Butter

Evoca la lama che affonda il nuovo tavolino **Butter**. Progettato dallo studio 967arch, questa serie di elementi assolvono la loro funzione di appoggio con la **grazia delle geometrie pure**. Le forme quadrata o tonda in più dimensioni e altezze, permettono di creare **volumi disegnando lo spazio** giocando con le sfumature delle **laccature lucide o opache**.

Nella serie, anche un pratico tavolino spostabile all'occorrenza per essere collocato in prossimità di una seduta, fruibile come piano d'appoggio dove posare un libro o un oggetto. Prodotto in mdf laccato lucido o opaco, **gli elementi sono disponibili nei colori avorio e sabbia**.

The new **Butter coffee table** evokes the blade that sinks into butter. Designed by 967arch, this series of elements fulfils its function of a supporting surface with the **grace of pure geometries**. The square or round forms, available in several dimensions and heights, allow for **volumes to design the space**, by playing with the shades of the **glossy or matt finishes**.

The collection also offers a practical table that can be moved, if necessary, to be placed near a seat element, to be used as a surface to place a book or an object. Produced in glossy or matt lacquered mdf, **the elements are available in ivory and sand**.
