Come Here side table

Designed by Steffen Juul

English text

Grab the Come Here side table and place it wherever you like. Inspired by the Scandinavian design traditions, Come Here embraces softness and high-quality material. The side table is a beautiful and simple three-legged construction. One of the legs is extended through the tabletop and functions as a handle making it easy to move around. Use it as a bedside table, have it next to the sofa or as a companion in your favourite reading corner.

Designed by Steffen Juul

A graduate from the Danish Design School. Since 1996, he has been running his own studio with great attention to create interaction between the design and the user. With a drive to create timeless designs, Steffen Juul focuses on the attractiveness of a design to establish a feeling of love and joy.

Danish text

Come Here-sidebordet har en smuk og enkel konstruktion inspireret af den skandinaviske designtradition. Ét af de afrundede ben er forlænget gennem bordpladen og fungerer som et håndtag, der gør bordet nemt at flytte til et nyt sted. Med sit simple formsprog kan Come Here indgå utallige steder i indretningen. Brug det som et natbord, ved siden af sofaen eller som et sidebord i dit foretrukne læsehjørne.
