DOT PENDANT (SMALL)

DESIGNED BY RIKKE FROST

The Dot pendant is designed to create a cosy atmosphere in your home. It is inspired by perforated metal and the patterns the light creates when shining through the little holes. The contrast between the coarse perforated metal and the smooth opal glass, makes Dot both a simple and significant pendant.

YEAR OF DESIGN

2015

CATEGORY

Lighting

MATERIALS

Perforated painted/satin plated metal
Opal/smoked glass
(3-6 mm thick)

CORD

Black fabric covered cord (3000 mm/118.1")
