Nakki sofa

Designed by Mika Tolvanen

English text

The Nakki series is designed to add a cheerful personality in the room. The sofa has ample and firm padding creating a comfortable seating experience without losing its shape. Its square form and straight legs are contrasted with its soft shapes on the seating. The rounded edges and a minimalistic take on classic sofa legs give Nakki its characteristic and loungy feel.

Danish text

Nakki-serien har et minimalistisk formsprog, designet til at tilføje en munter karakter til ethvert rum. Dens stringente linjer og lige ben står i en kontrast til designets bløde og afrundede former. Med sin faste polstring giver Nakki en behagelig siddeoplevelse uden at miste sin form. De afrundede kanter og et minimalistisk bud på klassiske sofabein giver Nakki dets karakteristiske udtryk.
