# PUMP PENDANT

DESIGNED BY KUTARQ STUDIO

The Pump pendant is inspired by the characteristic shape and function of hot air balloons and thereby the idea of a luminaire lifting off the ground. With its soft opal glass contrasting to the simple tubular steel ring, the pendant expresses complete simplicity when floating in the air.

**LAUNCH**  
2022

**CATEGORY**  
Lighting

**MATERIALS**  
Opal glass shade and black painted metal  
(smooth surface)
