
Pan Flute - bed

Ispirato all'omonima poltrona e panchetta, la testiera Pan Flute disegna la parete retro letto come uno spartito musicale. Pensata come una boiserie, i suoi volumi circolari invogliano a personalizzare la parete con texture inedite. Perfetta per ambienti contract e residenziali, può essere acquistata singolarmente o accompagnata dal suo sommier. Disponibile in due dimensioni, abbraccia giroletti sia piccoli che materassi di grandi dimensioni.

Inspired by the armchair and bench of the same name, the Pan Flute headboard draws on the wall like a musical score. Conceived as a boiserie, its circular volumes invite you to customize the wall with original textures. Perfect for contract and residential environments, it can be purchased individually or accompanied by its sommier. Available in two sizes, it embraces both small bed frames and large mattresses.
