

Un tavolo importante, che nasce per essere protagonista del living contemporaneo. Calla si distingue per il basamento che ricorda un fiore: solido ma allo stesso tempo leggero, è costituito da due lame di metallo che come petali si compenetrano, creando una forma a calice che si apre verso l'alto, e suggerisce vitalità e rinascita.

A prominent table, designed to be the centrepiece in the contemporary living space. Calla features a base that resembles a flower – robust yet light, it consists of two metal blades which, as petals do, interlock, creating a chalice shape that opens out upwards, alluding to vitality and rebirth.
