

RIFICOLONA DESK

by e-ggs

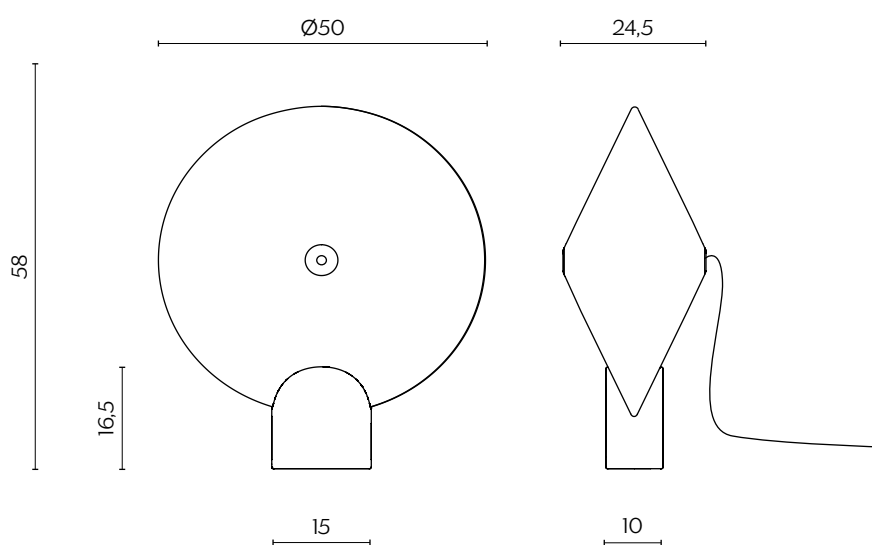

Rificolona nasce appesa a un filo e da qui la sua indole giocosa e suggestiva. La superficie, in polietilene riciclato, gioca con la trasparenza come se fosse spruzzata da un abile graffiti artist, rievocando la superficie lunare.

Rificolona lamp arrives hanging by a thread, to share an evocative and creative spirit. Its surface realized in recycled polyethylene plays with transparency as if it was sprayed by a skilled graffiti artist, hearken back to the Moon surface.
