

Dell'ampio programma Sandy fanno parte anche i tavolini e la consolle, sempre caratterizzati dalla gamba a goccia, che con la sua sezione inclinata assume una forte tridimensionalità e dà vita a diverse forme – dal classico coffee table alla consolle con due gambe, fino al tavolino con pilastro centrale, ideale da usare accanto al divano.

Sandy's extensive range also includes coffee tables and a console table, which still feature the teardrop leg, whose sloping cross-section takes on a striking three-dimensional nature and gives rise to a variety of shapes – from the classic coffee table to the console table with two legs, to the small table with a central pillar, ideal for use alongside a sofa.
