

Sandy è una collezione di tavoli caratterizzati dalla gamba a goccia, una sezione dal disegno ricercato che può accogliere diverse geometrie di piani, rettangolari, tondi e ovali, sia fissi che allungabili. Un tavolo dalla presenza forte eppure sobria ed elegante, facile da abbinare a tutte le sedie della collezione Calligaris.

Sandy's extensive range also includes coffee tables and a console table, which still feature the teardrop leg, whose sloping cross-section takes on a striking three-dimensional nature and gives rise to a variety of shapes – from the classic coffee table to the console table with two legs, to the small table with a central pillar, ideal for use alongside a sofa.
