

## ETRO & ETRO XXL tavolo / table

design Pucci & Dondoli

Il Tavolo Etro è un tributo all'eleganza senza tempo, dove la geometria si dissolve in curve che accarezzano lo spazio con grazia. Le gambe, con la loro forma particolare, in parte tondeggianti, sfidano il tradizionale, creando un contrasto elegante con il piano. Ogni dettaglio è un invito alla contemplazione: la leggerezza delle linee si fonde con la solidità della struttura, regalando una sensazione di equilibrio perfetto. Elemento di design, ma anche di grande praticità, il Tavolo Etro è allungabile sia con il piano rettangolare che ovale, adattandosi con semplicità a ogni contesto.

*The Etro table honours timeless elegance, where geometry dissolves into curves that gently embrace the surrounding space. The legs, with their distinctive, partly rounded shape, challenge traditional concepts, creating a refined contrast with the top. Every detail invites contemplation: the lightness of the lines merges with the stability of the structure, offering a sense of perfect balance. A design piece, yet highly practical, the Etro table is available with both rectangular and oval extendable tops, effortlessly adapting to any setting.*
