

KALEIDO tavolo / *table*

design **Andrea Lucatello**

La maestosità del tavolo Kaleido non si limita alle dimensioni: è una questione di visione. La base, monumentale e affascinante, a sezione triangolare, evoca le simmetrie ipnotiche di un caleidoscopio, un gioco di forme in continua evoluzione a seconda del punto di osservazione. Pensato per adattarsi a contesti e necessità differenti, Kaleido si configura in soluzioni modulari: con due o tre basamenti, top di varie forme e dimensioni, si trasforma in un archetipo di flessibilità progettuale. È la scelta ideale per chi riconosce la potenza espressiva delle proporzioni armoniche e del contrasto tra rigore e bellezza.

The grandeur of the Kaleido table goes beyond its dimensions – it is a matter of vision. Its monumental, captivating, triangular-section base evokes the hypnotic symmetry of a kaleidoscope – a play of forms constantly shifting with the viewer's perspective. Designed to suit different settings and requirements, Kaleido is available in modular solutions: featuring two or three bases and tops in various shapes and sizes, it becomes a true archetype of design flexibility. It is the ideal choice for those who appreciate the expressive power of harmonious proportions and the contrast between precision and beauty.
