Boston è una collezione di comodini e cassettiere dal design lineare e moderno. Privi di maniglie per la massima pulizia estetica, i cassetti si aprono con sistema push-pull e sono dotati di un meccanismo di chiusura con richiamo ammortizzato. Sia il comodino che la cassettiera, disponibili in diverse finiture, sono sospesi su piedini.

Boston is a collection of bedside tables and chests of drawers with a linear and modern design. Without handles for maximum aesthetic cleanliness, the drawers open with a push-pull system and are equipped with a soft-closing mechanism. Both the bedside table and the chest of drawers, available in various finishes, are suspended on feet.
