Glen porta la morbidezza della collezione nel mondo notte. La testiera imbottita e il ring definiscono un volume rassicurante, disponibile in varianti con ring basso, alto o contenitore. Una presenza armoniosa e accogliente che completa la famiglia Glen con coerenza e calore.

Glen brings the softness of its collection into the night world. The padded headboard and the ring define a reassuring volume, available in variants with a low, high or container ring. A harmonious and welcoming presence that completes the Glen family with consistency and warmth.
