Velo interpreta il comodino da notte attraverso un gioco di leggerezza visiva e movimento, trasformando il frontale in un elemento fortemente espressivo. I frontali ondulati, ispirati alla morbidezza di un tessuto che cade, creano una superficie dinamica che cambia aspetto a seconda della luce, conferendo al comodino una presenza raffinata e scenografica.

Velo interprets the nightstand through a play of visual lightness and movement, transforming the front into a highly expressive element. The wavy fronts, inspired by the softness of falling fabric, create a dynamic surface that changes appearance depending on the light, giving the bedside table a refined and dramatic presence.
