

TALOS tavolo / table

design Pucci & Dondoli

Talos è un tavolo che si impone nello spazio con un'eleganza solida e una presenza architettonica. L'elemento distintivo è la base ellittica monolitica costituita da due gusci simmetrici che abbracciano il corpo centrale. La base, nella variante metallica, si distingue per accostamenti cromatici ricercati, che introducono vibrazioni visive o raffinati effetti ton sur ton. Nell'alternanza tra metallo e legno, invece, il calore delle essenze si fonde con la lucentezza delle finiture metalliche, generando un equilibrio armonico tra matericità e rigore. In ogni variante, Talos conserva la sua identità scenografica e il suo ruolo da protagonista, definendo lo spazio con carisma.

Talos is a table that commands space with solid elegance and architectural presence. Its defining feature is the monolithic elliptical base, composed of two symmetrical shells that embrace the central body. In the metal version, the base stands out for its refined colour combinations, creating either visual vibrations or sophisticated tone-on-tone effects. In the alternation between metal and wood, on the other hand, the warmth of natural materials merges with the sheen of metallic finishes, achieving a harmonious balance between texture and precision. In every version, Talos retains its theatrical identity and commanding presence, shaping the space with charisma.
